MANY NAMES NOW

BOYS AND GIRLS LINING UP FOR CONTESTS.

TO BE A BIG CONTEST

Annual Corn and Domestic Science Has Started With Vim—Many Still to Come.

"If at first you don't succeed,
Try, try, again;
'Tis a motto you should heed,
Try, try again.

The boys and girls of Nodaway county are beginning to line up already for the annual corn and domestic science contest that County Superintendent Oakerson will conduct for them the last of next October.

And here is the first installment of names of those who will enter the contest to try for better corn and better bread and cakes for our people. These are the first in the ring and the way they are starting out the County Superintendent is expecting a bigger contest than has yet been held. With all these boys and girls trying each year to better the things that mean so much to them and all the rest of us, some of these years soon we are going to have such fine corn and bread and cake and other things to eat that we won't know what to do. And the boys and girls who will grow up on those good things to eat, and who will think the good fine thoughts that brought all those things about will be so healthy, beautiful, strong and useful that not many of us will want to go to Heaven very soon. We'll be perfectly satisfied with what our eyes behold and our ears hear, for ages, with never one desire to sing, "I want to be an angel."

Now boys and girls hurry and make up your minds to do your best and enter this contest. You will be all the better for having tried, and so will every one around you. Here are some of the 240 boys and the 350 girls now enrolled:

DIED IN HOSPITAL.

Fred Thompson Passed Away at Midnight—Second Son of Mr. and Mrs. Noah Thompson.

Fred Thompson, 16-year-old son of Mr. and Mrs. Noah B. Thompson, 314 East Cooper street, died at St. Francis hospital at midnight Friday night. His death is a most grievous shock to his parents, who thought his condition was improving some until they were summoned to the hospital Friday night.

The boy was taken to St. Francis hospital a week ago last Sunday to be operated on for an acute attack of appendicitis. He had not been feeling well for some time, and had been threatened with an attack of the disease about a year ago. He stood the operation of nearly two weeks ago nicely, and for the severity of the case was doing well and was able to be up awhile Friday morning.

The funeral services will be arranged later, after word is received from relatives at a distance. They will be held in St. Mary's church, and announcement will be made Monday as to the hour.

Fred Thompson had lived all his life in Maryville. He was born here August 26, 1898. He was a good student in the high school and ambitious for the future. He was a social favorite with all his school friends, and the fine personal appearance he possessed attracted many others to him.

Nine brothers and sisters survive with the parents. They are Paul, older than Fred; Agnes, John, George, Mary, Joseph, Edna, Laura and Marguerite. The sympathy of the entire community is with them in their trouble.

FOR FIELD EVENTS.

St. Joseph Central High Will Enter Twelve Men in Big Meet Here.

Tryouts in the field events to pick a track team for the field meet in Maryville, April 24 and 25, were held by the athletes of the St. Joseph Central high school Friday. They will enter twelve men. The list of entries were sent in today.

HIGH SCHOOL NOTES.

Fred Lewis, Clarence Cook, Charles McReynolds and Hazel Garrett were visitors Thursday afternoon.

School was dismissed the last period on Thursday afternoon to allow the teachers and pupils to hear the lecture at the Normal which was given by G. D. Strayer of Columbia university, New York.

The preliminary declamatory contest was held at the regular assembly period Friday afternoon. The contest is to be held at the Normal during the track meet, and George Crowson was chosen to be the speaker from the high school.

Special music was given at the assembly period Friday by John Murray, Paul Willson, Jack Holt and Roy David.

A number of visitors were present to hear the declamatory contest.

SHE GETS DAMAESG

JURY AWARDS LAURA E. CLOUD $1,796.40 DAMAGES.

PEVE DAMAGE SUIT UP

Case Against Joseph Coleman Will Likely Take All Afternoon—Other Cases Decided.

The jury in the case of Laura E. Cloud vs. the Royalty Casualty company brought in a verdict in circuit court for the plaintiff. They found for Mrs. Cloud for $1,562.50, and also $83.90 as damages in excess of the amount due on the policy and $150 as reasonable attorney's fees, making in all a verdict for $1,796.40 for the plaintiff. The amount Mrs. Cloud was suing for was $1,500 damages.

The damage suit of $5,000 of Catherine Peve against Joseph Coleman is being tried today, and it is likely that it will take the rest of the afternoon to finish the case. There are a large number of witnesses and the case is one of the sensational ones of this term of court. The jury is composed of Ernest Wray, Lon Oakerson, Sam Hagan, M. C. Humphrey, Will Bucker, Matt Farnan, F. A. Icke, G. C. Evans, T. R. Livengood, E. E. Tilton, M. J. Sherlock and C. C. Andrews.

A change of venue was granted to Andrew county circuit court in the case of state ex. rel. People's bank of Maitland vs. W. T. Jackson and James B. Robinson, action on bond.

S. F. Bowser & Co., vs. Asa Herndon et al., account, cause submitted, evidence heard and finding for the plaintiff for $154.87 at 6 per cent interest.

LUMBER DEALERS MEET.

Retail Lumber Dealers' Association Met in St. Joseph Friday.

The retail lumber dealers of northwest Missouri held their annual meeting Friday in St. Joseph. Will Phares of this city is the retiring president. The new officers elected are:

C. C. Trapp, Graham, president.

A. L. Carter, Fairfax, vice president.

W. P. Wood, Rosendale, secretary-treasurer.

The social feature of the meeting was the annual initiation of the Hoo Hoos Friday night. About forty were present and nine "kittens" were taken into the national order. Following the initiation there was a banquet at the St. Francis hotel.

HIGH SCHOOL TRACK TEAM.

Those Who Will Compete in the Field Meet at the Normal.

After school Friday the high school boys who were interested in the track meet met at the Normal track for a preliminary contest to decide who should be on the track team to represent the high school.

The boys made a very good showing, considering the fact that they have had little practice at present. A few of the boys who made good showings were barred from entering, as the team is limited to twelve men and beginning freshmen are not eligible.

Those who will be on the team are as follows:

100-yard dash — Curtis Benight, Verne Pickens and John Murray.

220-yard dash—Paul Willson.

440-yard dash—Ed Gorman.

Half-mile run—Jesse Strader and Joe Farmer.

Mile run—Jesse Strader and Joe Farmer.

120-yard high hurdle—Curtis Benight and John Murray.

220-yard low hurdle—Paul Willson, John Murray and Lloyd Wilson.

Pole vault—Paul Willson and Eugene Yehle.

Shot put—Ed Gorman and John Murray.

Half-mile relay—Paul Willson, Lloyd Wilson, John Murray, Ed Gorman and Curtis Benight.

Running high jump—Curtis Benight and John Murray.

Running broad jump—John Murray, Lloyd Wilson and Claude Glass.

Discus throw—Ed Gorman, Lloyd Wilson and Claude Glass.

Standing broad jump — Ellison Frank, Paul Willson and Lloyd Wilson.

Hop, step and jump—Jesse Miller and Lloyd Wilson.

Miss Angie Vanhorn and Miss Nina Jackson went to St. Joseph Saturday morning for an over-Sunday visit with G. F. and W. E. Vanhorn and their families.

Miss Edith Wilson went to St. Joseph Saturday for her violin study with Prof. Wort S. Morse.

INSTALL OFFICERS

NEW CITY OFFICIALS SWORN IN LAST NIGHT.

APPOINTED COMMITTEES

Mayor U. S. Wright Names Those For Different Branches—Disposes of Business Matters.

The new city officials were installed in office Friday night in the presence of a small crowd of people. All officers were sworn in except Sam G. Selecman, the newly elected collector, as he was unable to attend the meeting on account of sickness.

Several matters of business were disposed of by Mayor Robey and the council before the new officials were sworn in. An ordinance was passed ordering sidewalks built in front of certain properties. A license was ordered issued to the Linville hotel for a pool table. A special fund of $1,000 was ordered laid aside for the purpose of paying the laborers on the new city water mains now under construction. This was done so the laborers could be paid every Saturday night.

The new officers were installed as follows: Mayor, U. S. Wright; marshal, E. C. Moberly; alderman first ward, Jesse Fisher; alderman second ward, F. L. Garrett; alderman third ward, H. L. Raines; alderman fourth ward, W. A. Tindall.

Mayor U. S. Wright appointed the following committees:

Streets, alleys and sewers—John H. Gray, J. D. Ford and H. L. Raines.

Cemetery, parks and buildings—F. L. Garrett, Louis Gram and Moses Hahn.

Finance—J. D. Ford, F. L. Garrett and Moses Hahn.

Fire, water and lights—Jesse Fisher, W. A. Tindall and John H. Gray.

Auditing—H. L. Raines, John H. Gray and W. A. Tindall.

Clyde Avitt, who is in the employ of the Heller saloon and holds a special police commission, was refused a new commission by Mayor Wright last night.

MANY AFTER APPOINTMENTS.

First Big Problem for Mayor Wright is to Fill the Appointive Offices.

Mayor Wright ordered all special police commissions turned in to him so they could be renewed. The city council adjourned until Friday, April 17, at which time further new business will be taken up and disposed of.

The first big problem that confronts the new mayor, U. S. Wright, who was sworn in Friday night, is in the selection of the appointive officers. These appointments are to be made at the first meeting night in May, and according to the dope at the present time some of the places have already been filled.

The appointments to be made are street commissioner, city attorney, physician, city clerk, fire driver, weighmaster, night policeman, street sweeper and members of the fire department.

Mayor Wright, in talking to a representative of this paper, said Saturday that his appointments would be announced in due time, but that he had nothing to give out at present.

It is predicted that Mayor Wright will offer the city attorneyship to Fred P. Robinson. For city physician, it is thought that Dr. Frank C. Wallis will be re-appointed. Several are being talked of for city clerk, and as rumor has it they are Burt M. Rowley, M. A. Peery and W. W. Glass. For fire driver it is thought that Claude Stults will be re-appointed. For night policeman, it is said that Frank Partridge or Steve Viles will be given the place. For street sweeper, the name of Shube Woodard is mentioned, and for street commissioner, the name of Ed Wright.

Much speculation is being indulged in as to whom will be named, and the names given above are those that are being prominently mentioned at present.

Home For Easter.

Superintendent Raymond Cook of the Westboro schools and Clarence Cook, a student of St. Benedict's college at Atchison, Kan., are at home to spend the Easter vacation with their parents, Mr. and Mrs. J. F. Cook.

Miss Marjorie Hine went to Savannah Friday evening for an Easter visit with her parents, Mr. and Mrs. W. G. Hine.

Miss Mildred Wamsley and Miss Corda Smith, students went to Arkoe Friday evening to spend Easter with home folks.

A SUCCESSFUL ADMINISTRATION.

During Mayor Robey's Four Years as Head of City Government Much Has Been Accomplished.

Last night brought to a close four years (two terms) of A. S. Robey as mayor of Maryville.

It must be said to the credit of Mr. Robey that his administration was one of results which have contributed very greatly to the progress of our city, he having devoted his entire time to this work.

The water question, which had become a matter of much concern to our people and the future of the city, was disposed of in a manner which, from all present indications, will for all time reflect great credit on the wisdom of Mr. Robey's position thereon and the aggressive action taken by him.

The white way was worked out, contributing greatly to the appearance of the business portion of our city.

A very considerable reduction was made in the tax levies so that, contrary to the general rule, our people are today paying less taxes than for several years past.

With all this Mr. Robey leaves the city's finances in splendid condition, notwithstanding the fact that during his administration several large items out of the ordinary had to be paid.

That the conditions have been and are such as to attract favorable consideration of our city is attested by the fact that in the past four years there has been a very decided increase in our population, and there never has been a time in recent years when there has been as few vacant homes as now. In fact, it is difficult to find homes for all those who would come among us.

That the city has prospered to the full extent of its capacity is apparent to all.

In the enforcement of the law Mr. Robey has been impartial and fair. It is impossible to entirely prevent crime and law violation, but a careful and impartial review of the past four years will force any one to the realization that we have had no serious run of law violation or commission of crime.

It has been said that his appointments are such as to reflect credit upon his administration.

Under his administration there has been over $30,000 of the bonded indebtedness of the city paid off. Work has been plenty, thereby giving the laboring man a chance to earn a good living.

Mr. Robey has made a record with which he may feel well satisfied.

HAVE DISTINGUISHED VISITOR.

Mr. Cowan, One of the Leading Shorthorn Breeders of the Country, a Guest of C. D. Bellows.

B. O. Cowan of Santa Monica, Cal., for years secretary of the American Shorthorn Breeders' association, has been spending a few days in Maryville, at the home of Mr. and Mrs. C. D. Bellows. He went to Holt county Saturday morning to visit his brother, Robert Cowan, a well known citizen of that county.

Mr. Cowan's father, J. G. Cowan, was one of the pioneers of this country in the breeding of Shorthorn cattle, and began in that business in Hughes township, near Graham. His son herded cattle all over the country between Maryville and Graham, and his stories of how that region has changed since that time are highly entertaining.

Mr. Cowan will return to Mr. Bellows' home in time for the sale Wednesday.

Mr. and Mrs. G. A. McFarland of St. Louis were Maryville visitors Saturday morning.

Mrs. Frank Harrel of St. Joseph returned home Friday evening from a visit with her sister, Mrs. Frank Craig.

Sunday Services at Local Churches

First Presbyterian Church.

Easter will be celebrated at this church with the following services:

Sunrise prayer meeting at 6 a. m., under the auspices of the Young People's club. Mr. George W. Demott will be the leader.

The Sunday school will hold a special session at 9:45 a. m. in the auditorium of the church. An Easter program will be given, in which the little children as well as the older folks will participate. The slogan of the campaign for a large attendance at Sunday school tomorrow is "Every church member at Sunday school on Easter Sunday."

The morning worship at 11 o'clock. The order of service will be:

Organ prelude, Miss Smith, organist.
Chant, "The Lord is in His Holy Temple."
"Old Hundred."
Invocation.
Chant, "The Lord's Prayer."
Hymn, "The Day of Resurrection."
Responsive reading, "The Easter Psalm."
Pastoral prayer.
Reception of new members.
Hymn, "How Calm and Beautiful the Morn."
Offertory.
Anthem, "If a Man Die," Lerman.
Sermon, "Easter, a Human Experience."
Benediction.
Organ postlude.

At 8 o'clock the choir will sing Snecker's Easter cantata, "The Risen King." This is one of the most beautiful cantatas written. The choir will be assisted in its rendition by the Presbyterian orchestra. The Knights of Pythias will attend the morning service. You are invited to pay your tribute to the risen Lord by joining in the fellowship and worship of these services.

First Baptist Church.

Sunday school at 9:30 a. m. The 400-in-Sunday-school mark for this school has lacked a little of attainment so far. It is earnestly desired by all that this number be reached on Easter morning, that our stakes may be reset for still better work, for our motto is "Keep On Keeping On." Let every member of the church strive to be present.

Preaching by the pastor, Rev. Louis M. Hale, at 11 a. m. Subject, "The Fact and Fruits of the Resurrection."

The choir will sing two anthems, "Christ, the Lord, is Risen Today," by Wilson, and "They Have Taken Away My Lord," by Stainer. The quartets in the anthems will be taken by Miss Marie Jones, Mrs. L. M. Hale, Edwin Goodspeed and Orlo Quinn.

Miss Jones will sing "Allelujah," by Humphries.

The B. Y. P. U. meets at 7 p. m. Miss Hazel Everhart will lead.

Preaching at 8 o'clock by the pastor. Subject, "Pullers Down." Miss Jones will sing "Hosanna," by Granier.

First Christian Church.

The Easter Sunday services at the First Christian church will be elaborate, with appropriate music for the day, and the program for the entire day is given here:

Dr. D. J. Thomas at the organ.
Mr. H. J. Becker, director.
Mrs. F. P. Robinson, Mrs. Bishop and Mr. Becker, soloists.
Offertoire, "Serenade," Schubert—Dr. Thomas.
Anthem, "Awake, Thou That Sleepest," Maker—The choir.
Anthem, "Hallelujah, Christ is Risen," Simper, introducing the "Hallelujah chorus from Handel's "Messiah."
Organ Postlude—Dr. Thomas.

The minister, Robert L. Finch, will preach the Easter sermon.

Evening service, 8 o'clock:
Organ Prelude, "Andante," Guilmant—Dr. Thomas.
Anthem, "If a Man Die," Lerman, introducing themes from "The Messiah."
Solo, "The Resurrection," Shelley—Mrs. F. P. Robinson.
Offertoire, "Humoresque," Dvorak—Dr. Thomas.
Anthem, "Ought Not Christ?" Hayden-Morris—The choir.
Duet, "We Shall Live With Him," Porter—Mrs. Robinson and Mr. Becker.
Anthem, "Hark, Hark, My Soul," Lansing—The choir.
Organ postlude—Dr. Thomas.

In addition to this rare feast of music at the evening service, Rev. J. H. McHorter, national secretary of the Benevolent Association of the Christion church, will deliver his illustrated lecture on the work of the association, with the aid of one of the finest stereopticons now in use.

First M. E. Church.

The Sunday school of this church will observe Easter Sunday at 9:30 a. m. prompt, in the following program:

Processional, "Lift Your Glad Voices," by primary, junior and intermediate departments.

MRS. CLAYCOMB'S MOTHER DEAD.

Body of Mrs. Carder Will Be Brought Here Saturday Evening—Funeral Sunday Afternoon.

Fred Claycomb received a message Saturday from Mrs. Claycomb, telling of the death of her mother, Mrs. Caroline Carder, formerly of this city, at the home of a daughter in Burlingame, Kan.

The body will be brought to Maryville Saturday night. The funeral services will be held Sunday afternoon at 2 o'clock at the First Presbyterian church.

Parent-Teachers' Meeting.

An enthusiastic meeting of the Parent-Teachers' association was held Friday afternoon at the high school. "Contagious Diseases and How to Prevent Them" was the subject, Miss Ada Albert speaking on "What the Teacher Can Do,' 'and Mrs. C. E. White on "What the Parents Can Do." An interesting discussion followed.

Dr. F. R. Anthony, who was to have addressed the association, was unable to come.

Owing to much sickness at present from whooping cough and mumps many parents were unable to attend. It is hoped that a much large attendance may be possible in two weeks. The schools of the city were dismissed in time for the meeting, and this will be the rule hereafter.

A. D. Arnett for house painting of all kinds.

Judge D. C. McKee and Wm. Beggs of Guilford were city visitors Saturday.

Met With Mrs. Harkness.

The Woman's Missionary society of the First Presbyterian church met with Mrs. S. D. Harkness at the manse Thursday afternoon. The devotional service was led by Mrs. C. D. Leffler. Subject, "Thoughts." Roll call was responded to with names of missionaries to India. A talk on "Freedmen" was given by Mrs. Gallatin Craig, and Mrs. Harkness told of "Penances and Punishments of Holy Men of India." The social committee, Mrs. Leffler, Mrs. L. E. Gault and Mrs. S. O. Hutchison, served a nice luncheon during the social hour. There were four visitors, Mrs. Fred Fehr, Mrs. Fred J. Yeomans, Mrs. Fred Jamison and Mrs. Roy Lippman.

Instituted Chapter at Maitland.

Quite a number of the members of Rosanna chapter, No. 262, Order of the Eastern Star, of Maryville, went to Maitland Thursday morning and devoted the entire day to the institution of an Eastern star chapter, U. D., at that place. The Maryville people were entertained in the homes of the new Eastern Star members and were treated so hospitably that they are hoping for occasion to visit them again. The day's work was in charge of Sister Nora Jones, D. D. G. M., of Maryville, and the following members of the local Eastern Star. Linnie Braniger, Nannie Cook, Vida May Hamlin, Belle Demott, Nellie Belle Frost, Flora Hartley, Rosanna Stauble, Laura Gilbert, Nannie Craven, Ella Swinford, Katherine Kuchs, Margaret Stiwalt, Anna Day and Mae Harvey, and Charles McNeal.

Thought of Her Wedding Day.

The children of the Elm Grove school, just north of Maryville, presented their teacher, Miss Golda Roach, a gold cross pendant as their wedding gift to her, last Thursday afternoon, after the patrons of the school had gathered and spread a fine feast at noon in her honor. It was the closing day of the school term and a nice program was given by the children, who were in more than a usual state of excitement, for isn't their teacher to be married next Tuesday evening in the Methodist church at Pickering, and hasn't she invited every one of them to come? Sure! Among the guests was the Elm Grove teacher of two years ago, Mrs. James Stephenson, formerly Miss Stella Payne, and her baby boy, who live southwest of Maryville. The patrons of the Elm Grove school are Mr. and Mrs. George Aley, Mr. and Mrs. George Baker, Mr. and Mrs. John Coburn, Mr. and Mrs. Halbert Catterson, Peter Behm, Mr. and Mrs. M. C. Thompson, Mr. and Mrs. John Mann, Mr. and Mrs. M. D. Kemp.

For Miss Baker.

The girls of the Hum Drum club were informally entertained Friday afternoon by Miss Hildred Hanna, complimentary to Miss Carrie Margaret Baker, who is at home for the Easter vacation from Northwestern university. The afternoon was passed in talk of school days. The Hum Drum girls now here are Miss Baker, Misses Geneva and Marjorie Wilfley, Glen Hotchkiss, Mildred Robinson, Vera Tilson, Ruth Reuillard, Blanche Shipps, Dale Hoffman, Ruby Curnutt, Martha Koch, Eleanor Smith and the hostess. Other guests were Misses Babe Holt, Kathleen Chittenden and Verlinda Eichmiller.

Senior Class Party.

Miss Ora Quinn, Miss Nina Evans, Mr. John Murray and Mr. Abner Johnson entertained their class, the advanced seniors of the high school, at the home of Miss Evans on Friday evening.

Games were played and all present had a most enjoyable time. After the games refreshments were served in three courses. The guests were then invited to show their literary ability by writing a paragraph having each word to begin with the same letter. A number of very comical paragraphs were written, and hearty laughter ensued when they were read. Easter souvenirs were then given to the guests, after which they departed, declaring that they had been most enjoyably entertained. Those present beside the hosts and hostesses were Misses Annetta Lorance, Edna Dietz, Ruth Moore, Juno Jones, Ora LeGrand, Anna Bartram, Meriem Holt, Anna Halasey, Janette Mutz, Esther Roberts, Lola Wright, Edith Anderson, Marie Grundy, Frances Hahn, Messrs. Paul Willson, Clement Hahn, George Crowson, Harold Ramsey, Roy David, Jack Holt and Lee Strickler.

Obituary.

Woodroe Kenneth McCord, the little son of Mr. and Mrs. D. A. McCord, living two miles north of Wilcox, died April 6th, 1914. Little Kenneth had always been an unusually bright and healthy babe, and never knew a day's sickness in his life until the dreaded disease of whooping cough entered the home, and the little one at so tender an age could not withstand its ravages. All that loving parents and kind neighbors could do was done to relieve the little sufferer but to no avail, and he passed away at 6 o'clock Monday evening, April 6th, being 5 months and 20 days old. His mission on earth was ended and the Savior called him home to await the coming of father, mother, brother and sister. To the grief stricken parents we would say, weep not for of such is the kingdom of heaven. What a comfort to think when the pearly gates unfold there will be one little angel waiting and watching for you.

The gate of heaven was opened,
A little angel entered in
To live a life with Jesus,
So pure and free from sin.

A FRIEND.

New labor-saving uses for Fels-Naptha Soap are being discovered every day.

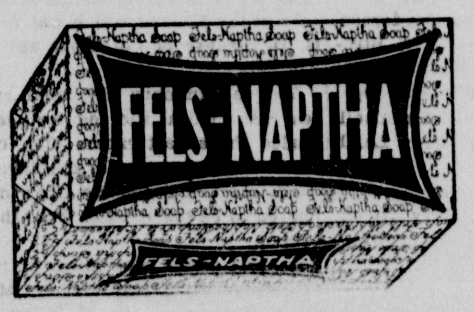
Mrs. Happywife Learns the "New Way"

Mrs. Happywife—"Oh, Anty Drudge, do come in and see the new vacuum cleaner that Harry gave me for my tenth anniversary present! I declare, if it wasn't for the washing I would just love my housework nowadays!"

Anty Drudge—"That's a fine present, my dear. But I am surprised to hear what you say about the washing. Certainly any woman who uses a vacuum cleaner knows the easy way to wash! I couldn't get along if I washed the old-fashioned way. I use Fels-Naptha Soap, in the Fels-Naptha way, make my work easy, and get through in time to have a little pleasure."

The right way to use Fels-Naptha Soap is the easy way. There are a great many new ways to help women in their work nowadays. Lots of them are very good. One is the Fels-Naptha way. It helps in the weekly washing, in dish-washing, in housecleaning. Fels-Naptha Soap works for you and with you. It saves your time by working without you; if you put your clothes to soak in cool or lukewarm water with Fels-Naptha Soap, the dirt is loosened and ready to come right out without any hard rubbing, and your clothes do not need any boiling.

Follow the directions on the Red and Green Wrapper.



Better buy Fels-Naptha by the carton or box.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

YOUR CHILD'S SIGHT
Should be a most important consideration. Many children are handicapped in school or subjected to petty nervous or physical ills by the effects of imperfect vision.

An examination of the eyes of 100,000 school children in New York City showed that nearly 30 per cent needed glasses. In Boston it was more than 20 per cent, and most of them were down on the books as "stupid," "stubborn" or "unruly."

Wearing glasses in childhood often averts serious trouble later on. Have our optician examine your child's eyes. If glasses are not needed you may be sure we will tell you so frankly.

THIRD ANNUAL CONVENTION.

National Old Trails Association Will Meet in Indianapolis, Ind., May 7, 8, and 9.

The third annual convention of the National Old Trails Road association, to be held in Indianapolis, Ind., May 7, 8 and 9, promises to be the most important event in the history of the good roads movement, and according to the most conservative estimate five thousand delegates will attend.

The meetings will be presided over by Judge J. M. Love of Kansas City, president of the association and a veteran better roads booster of national reputation. The governor of Indiana is to make the address of welcome.

Among the more prominent speakers will be several United States senators and congressmen who are friends and ardent supporters of the association and who will tell of their efforts to procure legislation looking toward a national system of efficient highways.

President Lowe is inviting the entire membership to attend and urging local associations, affiliated with the old trails, to send as many delegates as possible. Some of the more remote organizations, no doubt, will be unable to attend in a body, so President Lowe is suggesting to them that one or more of the leading boosters be sent at the expense of the rest.

The meetings will be held in the auditorium of the Claypool hotel. Every day of the convention will be spent in putting the organization on a better footing to fight for the larger system which means 50,000 miles of macadam or rock highways serving 65 per cent of the population of the United States.

The subjects to be discussed not only will include matters pertaining to the old pike, but also to general road questions and competent legislation.

Card of Thanks.

We wish to thank our friends and neighbors for their help during the sickness and death of our baby, and also for the beautiful floral offerings.

Spraying Cherry Trees

First Spraying. After the leaves have begun to come out but before the blossoms open, using Bordeaux mixture (2 pounds copper sulphate, 3 lbs., lime and 50 gallons of water) or some form of lime sulphur, either the commercial or self-boiled.

Second Spraying. As soon as the calyx tube is off the young fruit, use arsenate of lead paste 2 pounds, Bordeaux mixture 2-3-50, self-boiled lime sulphur 7-7-50, or commercial lime sulphur 1¼ gallons with water enough to make up 50 gallons of the solution.

These two sprayings are to control the leaf spot and powdery mildew, and to poison the curculio insect which punctures the fruit.

Self-boiled lime sulphur must be prepared at home, as it does not keep well and hence is not kept for sale. To prepare, slake 8 pounds of lime in a large tub or vat, and while simmering from its own heat, stir in 8 pounds of fine sulphur. Stop the simmering or boiling at the end of eight or ten minutes by adding cold water. Strain into a barrel and add water to make 50 gallons.

Third Spraying. Just after the fruit is off, using Bordeaux mixture 2-3-50, self-boiled lime sulphur 7-7-50 or commercial lime sulphur 1½ gallons to 48½ gallons of water. This is to keep the leaves healthy in order that good strong fruit buds may be formed for the next year's crop.

Powdery mildew is likely to be very bad on young cherry trees, particularly those growing in the nursery row. Such trees should be sprayed three or four times with Bordeaux mixture 2-3-50 or either of the lime sulphurs as mentioned above.

Spraying Outfits. A barrel sprayer will spray from five to ten acres of orchard and costs, complete, from $12 to $30. A bucket sprayer is useful for whitewashing or spraying a dozen trees or less; costs $3.50 to $8.00. The small hand compressed air and knapsack outfits are used for spraying potatoes, nursery trees, berries and vineyards. They cost from $5 to $15. All sprayers should have brass working parts which are not injured by acids.

U. S. SOLDIERS ARE ARRESTED

Are Marched Through Streets of Tampico, Mex.

RELEASED ON MAYO'S DEMAND

Paymaster and Detachment of Marines Putting in at Iturbide Bridge for Gasoline Made Prisoners—Huerta Apologizes.

Mexico City, April 11.—A launch from the United States gunboat Dolphin, carrying the paymaster and a small detachment of marines, put in at Iturbide bridge at Tampico. The Americans were after a supply of gasoline. They were in uniform, but unarmed. The launch flew the American flag.

Colonel Hinoposa, commanding a detachment of Mexican federals, placed the paymaster and his men under arrest. They were paraded through the streets and held for a time under detention.

Admiral Mayo made vigorous representations to the authorities and the men were released. General Zaragoza expressed to Admiral Mayo his regret.

Although President Huerta, in an official statement to Nelson O'Shaughnessy, the American charge d'affaires, has apologized for the unusual zeal of the Mexican commander at Tampico, there exists here great uneasieness because Admiral Mayo is reported to have given the government authorities at Tampico twenty-four hours to salute the American colors.

San Pedro Evacuated.

Juarez, Mex., April 11.—San Pedro, forty miles northeast of Torreon, was evacuated by the federals in the face of superior numbers.

TWO BOYS FATALLY INJURED

Forty-Six-Mile Gale Drives Auto Truck Down Chicago Street.

Chicago, April 11.—Two children probably were fatally injured when they were struck by an automobile truck which was driven down a street by the wind. The machine had been left standing unattended. A forty-six-mile gale, which had been blowing off the lake, started the truck in motion. It gathered speed, struck and snapped off a mail box pillar and then knocked down the two children, Joseph and Michael Kotner, three and five years old. Joseph's skull was fractured and Michael suffered internal injuries. The motor truck then smashed into a brick wall.

SAINTS DEPEND UPON TITHES

Graceland College Will Be Supported by General Fund.

Independence, Mo., April 11.—General funds of the Latter Day Saints' church will be used to maintain Graceland college, according to the decision reached at the conference here.

President Joseph Smith made a speech in favor of the proposition. He says the church has always been dependent from time to time upon the tithes and offerings of the members and that it has to exist upon faith and declares that means will be forthcoming to meet the demands.

He asked, "How did the church know last spring that during the year $560,000 would be paid into the treasury by a membership of 68,000?"

MEASLES SPREAD IN MOVIES

St. Louis Health Commissioner Accounts for Epidemic.

St. Louis, April 11.—The "movies" and measles go hand in hand, in the opinion of Assistant Health Commissioner Jordan. He accounts for an epidemic of the disease by the theory that children recovering from it go too soon to the moving picture shows and infect other children. There were 622 cases of the disease reported in March. Diphtheria caused twenty-four deaths in March. The same cause may be responsible, Dr. Jordan thinks.

Miners Clash; Five Arrested.

Pittsburgh, April 11.—Two rump conventions, both powerless to do more than recommend, were held by "insurgents" and "administration" factions of district No. 5, United Mine Workers of America, and led to a clash between the two parties, which resulted in the arrest of five men.

RETRIAL MAY BE GRANTED GUNMEN

Whitman Must Show Why New Hearing Be Not Given.

New York, April 11.—Upon the ground that new evidence has been discovered, Supreme Court Justice Goff signed an order making it mandatory for District Attorney Whitman to show cause why the four gunmen now in Sing Sing, awaiting death in the electric chair for the part they played in the murder of Herman Rosenthal, the gambler, should not be granted a new trial.

The new evidence, in the form of affidavits, was presented to Justice Goff by Charles G. F. Wahle of counsel for the condemned men. The signer of one affidavit swore that a man he could identify and who was not one of the gunmen was in the firing party whose shots killed Rosenthal. He declared that he saw Sam Schepps, Bridgie Webber and Harry Vallon, the informers, and not the men convicted, in the car that raced away from the scene of the crime after the tenderloin gambler had been shot to death in front of the Metropole hotel.

The order was served upon District Attorney Whitman and preparation of arguments to show why the gunmen should not be granted a new trial was immediately begun. A sharp legal battle is expected before Justice Goff when the order is returned.

DUN'S REVIEW OF TRADE

Sentiment Strengthened by Government Wheat Report.

New York, April 11.—Dun's Review of Trade says:

Sentiment especially in the agricultural regions, is strengthened by the splendid government report on winter wheat and the outlook for an almost phenomenal crop is calculated to inspire greater confidence in the future. Reflecting the brilliant prospects, the leading cereal is receding in values; yet the purchasing power of the farming community should be enhanced if the present promise of a banner yield is fulfilled.

The volume of railroad traffic will obviously expand with an increased production of grain and monetary conditions are such that no difficulty is likely to be experienced in harvesting and marketing the crops.

Advices from leading centers are still somewhat irregular, with improvement in certain directions offset by a reactionary tendency in others.

Growing Perfect Grapes

The worst enemy of the grape in Missouri is the black rot. If the soil is fertile and the vines healthy, it is easy to grow perfect grapes (that is, grapes free from rot and worms) by covering the clusters with one or two-pound paper sacks. The sacks may be bought at the grocery store for about $1.00 per thousand. The sacks must be put on as soon as the fruit is formed. If rot gets started, the sacks are no protection. The sacks are pinned on or fastened by wrapping around the mouth with short pieces of wire. Half-acre vineyards or larger should be protected by spraying. The Missouri College of Agriculture recommends the following system:

When the third leaf has appeared on the young shoots, spray with Bordeaux mixture made by using 5 pounds of copper sulphate, 5 pounds lime and 50 gallons of water. Spraying is most effective when done just before a rain. If the season is wet and warm, the black rot will be hard to control. In the grape districts of the North the growers expect to spray four times at intervals of two weeks. Possibly two or three applications will be sufficient in Missouri, but much depends upon whether the disease has been bad in former years, and whether the dried bunches which died from the rot have been removed from the vineyard. Careful annual pruning is a great help in controlling the rot and also two other diseases which attack the fruit and leaves.

A barrel spraying outfit, fitted with hose, nozzle, etc., and even mounted wheels in the form of a push cart, may be had, complete, for $25 or $30. A pump alone, mounted on a barrel at home and hauled in a wagon when spraying, will cost from $12 to $20. The working parts of any pump should be made of brass which is not corroded by the spraying salts. A barrel sprayer will handle probably ten acres of fruit trees or vineyard. A bucket sprayer costing from $3.50 to $8 may be used for spraying less than a dozen trees. The small hand compressed air and knapsack outfits costing from $5 to $15 are very good for handling berry patches, nursery stock, potatoes and small vineyards.

FUNCTION OF A RESERVE BANK.

Such a Bank is Solely a Banker's Bank —No Dealings Whatever With the Public.

"Now that Kansas City has been selected as the location of one of the great federal reserve banks, what does it really mean? What are the real functions of such an institution?"

These questions and others are being asked now every day on the streets by persons who are not quite clear regarding what is to be here, says the Kansas City Journal.

A federal reserve bank is solely a banker's bank. It will have no dealings whatever with the public direct. It will be the reservoir for a portion of the reserve money of its member banks, those holding stock in the institution. This money formerly was held in the vaults of the banks or carried with other banks located in reserve cities, there having been forty-seven under the old law.

The operation of a federal reserve bank will not in any way change the relations of the farmer, the merchant, business man or individual depositor with his present bank. It simply will enable the bank to handle their business more economically, more safely and with greater promptness.

A federal reserve bank will loan money to its members, or stockholders, all of which will be banks in its district, taking as collateral for such loans the obligations of the customers of it member banks. This security for loans to member banks may consist of sixty-day notes secured by cattle being fattened for market; grain in elevators or notes of solvent merchants based on first class bills receivable or on foodstuffs or other necessaries of life in course of transportation to market.

The federal reserve bank will be under the supervision of a board of directors and operated much as ordinary banks are conducted except that instead of having individual depositors or borrowers, its customers will be restricted entirely to banks that own stock in the federal reserve bank, or, in other words, who are members of the federal reserve bank.

The bank will accumulate large sums of money, it, of course, being necessary for it to have large, secure vaults, and, for that reason, the bank no doubt will be placed on the ground floor of some building or near the city's financial district. The provisions of the currency law are such that the functions to be performed by the reserve bank are largely subject to the rulings of the federal reserve board, which has not yet been appointed. Until the board has been organized and issues its instructions it will be difficult for anyone to determine the number of officers or clerks which will be required to handle the business.

If You Stutter, Change Hands.

Dr. Huddson Makuen, specialist at the Polyclinic hospital, asserts that persons afflicted with stammering may be cured if they will reverse the use of their hands. His theory is that if a stammerer is left-handed he should cultivate the use of the right hand and the stammering will probably disappear. The same applies to the right-handed person.

Dr. Makuen has treated two thousand persons afflicted with stammering. In many cases permanent cures resulted. Of the number 77 per cent were males, 85 per cent of average mentality, 14 per cent below the normal and 16 per cent feeble minded.

RESERVE BOARD GIVES REASONS

Committee Defends Its Action in Locating Banks.

BUSINESS IN SAME CHANNELS

Asserts New Centers and Districts Will Not Make Much Difference, Anyway. Complain That Critics Reveal Misunderstanding of Situation.

Washington, April 11.—The federal reserve bank organization committee issued a statement defending its choice of reserve bank cities and definition of reserve districts. It was the first official answer made to criticisms voiced in congress and heard from cities which sought reserve banks, but failed to get them.

Particular attention was given to the committee's reasons for choosing Atlanta, Ga., and Dallas, Tex., in preference to New Orleans; for selecting Richmond, Va., instead of Baltimore, and for naming Kansas City instead of Denver, Omaha or Lincoln. The committee called attention to the fact that since thirty-seven cities were applicants and only twelve named, twenty-five had to be disappointed.

"With so many conflicting claims," said the statement, "somebody had to judge. Congress constituted the committee a court and gave the federal reserve board the power of review. Disappointed competitors should seek a remedy through the orderly process that the law prescribes.

"Critics of the decision of the committee reveal misunderstanding and either do not know or appear not to know that the federal reserve banks are bankers' banks and not ordinary commercial banks; that they are to hold the reserves and to clear the checks of member banks, make rediscounts for them and engage in certain open market operations. As a matter of fact, the ordinary every day banking relations of the community, of business men and of banks will not be greatly modified or altered."

Why Kansas City Was Chosen.

In support of its choice of Kansas City, the committee said that Montana, Idaho, Arizona, Texas and Nebraska opposed Denver, and that the majority of the banks in a tentative district suggested by Omaha were opposed to its selection and preferred other cities.

"It seemed impossible," the statement said, "to serve the great section from Kansas City to the mountains in any other way than by creating a bank with Kansas City as headquarters or to provide for the northwestern section except by creating a district with Minneapolis as headquarters.

"The only other thing that could have been done with Nebraska, under the conditions which presented themselves, was to relate it to Chicago, and this seemed to be inadvisable in the circumstances. The Kansas City banks serve a very distinctive territory and will serve it more satisfactorily than St. Louis could have done. The relations of that territory on the whole are much more largely with Kansas City than with any other city in the middle west with which it could have been connected.

"It will, of course, be recognized by those who are informed that of the four cities, Kansas City is the most dominant banking and business center."

BRYAN ANNOUNCES TERMS

New Treaty Lets Colombia Use Canal for War Craft Free.

Washington, April 11.—Free use of the Panama canal by Colombian men-of-war, troop ships and army and navy supply vessels is proposed in the new treaty between the United States and Colombia, signed at Bogota, to heal the breach between the two countries over the separation of Panama.

This was announced by Secretary Bryan, with the explanation that the clause in the convention was identical with the one in the Colombia treaty negotiated and ratified by the United States senate, though never accepted by Colombia.

Mr. Bryan's statement followed a long conference at the state department with Senator O'Gorman, chairman of the senate canals committee, which has under consideration the administration bill repealing the clause of the Panama canal act exempting American coastwise shipping from canal tolls.

Senator O'Gorman, who is leading the Democratic opposition to President Wilson's repeal policy, went back to the capitol with new ammunition for his fight.

Postmaster Takes Poison.

Deadwood, S. D., April 11.—While a postoffice inspector was examining his accounts to learn the amount of his shortage James Carter, postmaster at Argentine, excused himself and drained a phial of cyanide of potassium. He was dead in a few minutes. Beside the body the inspector found a letter, in which Carter said everyone owed him money. His shortage was not heavy.

President's Party at White Sulphur.

White Sulphur Springs, W. Va., April 11.—President Wilson, with Mrs. Wilson and members of their family, arrived here to spend Easter. The president plans to return to Washington Monday.

ELEVEN ST. LOUIS JOBBERS INDICTED

Are Charged With Plotting to Swindle Wholesalers.

St. Louis, April 11.—Indictments were returned by the federal grand jury against the eleven men who formed the Great Western Jobbing company of this city, charging them with forming a conspiracy to defraud wholesale merchants throughout the country.

The men indicted are: Samuel Brown, Julius Steinhardt, Meyer Rotman, Harry A. Cohan, Alfred Goldberg, Samuel Bernstein, Jacob Litman, Henry Greenfield, Jacob and Morris Liebowitz and Morris Garfinkle.

The same jury returned indictments against eleven advertising "doctors" of this city, charging them with using the mails in schemes to defraud. Two women were indicted for misusing the mails and another for renting her house for the manufacture of oleomargarine without the payment of a government license.

Four men were indicted for the illegal manufacture and sale of oleomargarine. They are: Joseph B. Musick, Walter R. Morris, Raymond A. Martens and G. H. Martens.

Two other indictments were returned, charging a practice which, agents of the interstate commerce commission say, has cost the railroads of the United States millions of dollars. The indictments were directed against Morris H. Biederman of St. Louis and the Davidson Bros. company of Des Moines, both engaged in the produce business.

The indictments charge an attempt to collect fraudulent claims against railroads on allegations that the produce merchants' goods were damaged in transit.

HIGGINS PLEADS GUILTY

Wife Slayer Will Be Sentenced Tuesday—Julia Flake Not Arraigned.

Galesburg, Ill., April 11.—Robert Higgins pleaded guilty in the Mercer county circuit court to the indictment charging that he murdered his wife. Higgins asked for the mercy of the court.

Julia Flake, Higgins' stepdaughter, for love of whom he was said to have killed his wife, was not arraigned. Her attorney, D. A. Hebel, certified to the authenticity of a confession by the girl, in which she accused Higgins of killing her mother.

The second count in the indictment of Higgins, concerning his relations with Julia Flake, was dismissed. The state began offering evidence in confirmation of Higgins' plea. S. R. Gates, deputy sheriff, testified that Higgins signed in his presence a confession of guilt.

Judge Olmstead said he would pronounce sentence Tuesday, but gave no hint as to the punishment he will impose on Higgins. The state's attorney asked the court not to inflict the death penalty.

Robbers Miss Thousands.

Little Rock, Ark., April 11.—William Ahring, United States Express company messenger, reiterated to officials the story he told of the alleged robbery of a Rock Island baggage car. The robbery is said to have occurred between Hot Springs and Little Rock. Ahring was rescued from a trunk here, in which, he said, the robbers had locked him According to express company officials at Hot Springs, the car carried valuables estimated at about $3,000. Railroad officials say the sum taken by the robbers amounted to only $100.

Tries to Save Her Mother; Both Dead.

San Antonio, Tex., April 11.—Two women were burned to death and a man was probably fatally injued in two fires here. Sparks from a stove in her home ignited the clothing of Mrs. Tennessee Hill. Mary Hill, her daughter, attempted to save her and both became enveloped in flames. E. C. Jackson, a chauffeur, asleep in a garage, was probably fatally burned in a fire due to the ignition of escaping gasoline.

MANY NAMES NOW

BOYS AND GIRLS LINING UP FOR CONTESTS.

TO BE A BIG CONTEST

Annual Corn and Domestic Science Has Started With Vim—Many Still to Come.

"If at first you don't succeed,
Try, try, again;
'Tis a motto you should heed,
Try, try again.

The boys and girls of Nodaway county are beginning to line up already for the annual corn and domestic science contest that County Superintendent Oakerson will conduct for them the last of next October.

And here is the first installment of names of those who will enter the contest to try for better corn and better bread and cakes for our people. These are the first in the ring and the way they are starting out the County Superintendent is expecting a bigger contest than has yet been held. With all these boys and girls trying each year to better the things that mean so much to them and all the rest of us, some of these years soon we are going to have such fine corn and bread and cake and other things to eat that we won't know what to do. And the boys and girls who will grow up on those good things to eat, and who will think the good fine thoughts that brought all those things about will be so healthy, beautiful, strong and useful that not many of us will want to go to Heaven very soon. We'll be perfectly satisfied with what our eyes behold and our ears hear, for ages, with never one desire to sing, "I want to be an angel."

Now boys and girls hurry and make up your minds to do your best and enter this contest. You will be all the better for having tried, and so will every one around you. Here are some of the 240 boys and the 350 girls now enrolled:

DIED IN HOSPITAL.

Fred Thompson Passed Away at Midnight—Second Son of Mr. and Mrs. Noah Thompson.

Fred Thompson, 16-year-old son of Mr. and Mrs. Noah B. Thompson, 314 East Cooper street, died at St. Francis hospital at midnight Friday night. His death is a most grievous shock to his parents, who thought his condition was improving some until they were summoned to the hospital Friday night.

The boy was taken to St. Francis hospital a week ago last Sunday to be operated on for an acute attack of appendicitis. He had not been feeling well for some time, and had been threatened with an attack of the disease about a year ago. He stood the operation of nearly two weeks ago nicely, and for the severity of the case was doing well and was able to be up awhile Friday morning.

The funeral services will be arranged later, after word is received from relatives at a distance. They will be held in St. Mary's church, and announcement will be made Monday as to the hour.

Fred Thompson had lived all his life in Maryville. He was born here August 26, 1898. He was a good student in the high school and ambitious for the future. He was a social favorite with all his school friends, and the fine personal appearance he possessed attracted many others to him.

Nine brothers and sisters survive with the parents. They are Paul, older than Fred; Agnes, John, George, Mary, Joseph, Edna, Laura and Marguerite. The sympathy of the entire community is with them in their trouble.

FOR FIELD EVENTS.

St. Joseph Central High Will Enter Twelve Men in Big Meet Here.

Tryouts in the field events to pick a track team for the field meet in Maryville, April 24 and 25, were held by the athletes of the St. Joseph Central high school Friday. They will enter twelve men. The list of entries were sent in today.

HIGH SCHOOL NOTES.

Fred Lewis, Clarence Cook, Charles McReynolds and Hazel Garrett were visitors Thursday afternoon.

School was dismissed the last period on Thursday afternoon to allow the teachers and pupils to hear the lecture at the Normal which was given by G. D. Strayer of Columbia university, New York.

The preliminary declamatory contest was held at the regular assembly period Friday afternoon. The contest is to be held at the Normal during the track meet, and George Crowson was chosen to be the speaker from the high school.

Special music was given at the assembly period Friday by John Murray, Paul Willson, Jack Holt and Roy David.

A number of visitors were present to hear the declamatory contest.

SHE GETS DAMAESG

JURY AWARDS LAURA E. CLOUD $1,796.40 DAMAGES.

PEVE DAMAGE SUIT UP

Case Against Joseph Coleman Will Likely Take All Afternoon—Other Cases Decided.

The jury in the case of Laura E. Cloud vs. the Royalty Casualty company brought in a verdict in circuit court for the plaintiff. They found for Mrs. Cloud for $1,562.50, and also $83.90 as damages in excess of the amount due on the policy and $150 as reasonable attorney's fees, making in all a verdict for $1,796.40 for the plaintiff. The amount Mrs. Cloud was suing for was $1,500 damages.

The damage suit of $5,000 of Catherine Peve against Joseph Coleman is being tried today, and it is likely that it will take the rest of the afternoon to finish the case. There are a large number of witnesses and the case is one of the sensational ones of this term of court. The jury is composed of Ernest Wray, Lon Oakerson, Sam Hagan, M. C. Humphrey, Will Bucker, Matt Farnan, F. A. Icke, G. C. Evans, T. R. Livengood, E. E. Tilton, M. J. Sherlock and C. C. Andrews.

A change of venue was granted to Andrew county circuit court in the case of state ex. rel. People's bank of Maitland vs. W. T. Jackson and James B. Robinson, action on bond.

S. F. Bowser & Co., vs. Asa Herndon et al., account, cause submitted, evidence heard and finding for the plaintiff for $154.87 at 6 per cent interest.

LUMBER DEALERS MEET.

Retail Lumber Dealers' Association Met in St. Joseph Friday.

The retail lumber dealers of northwest Missouri held their annual meeting Friday in St. Joseph. Will Phares of this city is the retiring president. The new officers elected are:

C. C. Trapp, Graham, president.

A. L. Carter, Fairfax, vice president.

W. P. Wood, Rosendale, secretary-treasurer.

The social feature of the meeting was the annual initiation of the Hoo Hoos Friday night. About forty were present and nine "kittens" were taken into the national order. Following the initiation there was a banquet at the St. Francis hotel.

HIGH SCHOOL TRACK TEAM.

Those Who Will Compete in the Field Meet at the Normal.

After school Friday the high school boys who were interested in the track meet met at the Normal track for a preliminary contest to decide who should be on the track team to represent the high school.

The boys made a very good showing, considering the fact that they have had little practice at present. A few of the boys who made good showings were barred from entering, as the team is limited to twelve men and beginning freshmen are not eligible.

Those who will be on the team are as follows:

100-yard dash — Curtis Benight, Verne Pickens and John Murray.

220-yard dash—Paul Willson.

440-yard dash—Ed Gorman.

Half-mile run—Jesse Strader and Joe Farmer.

Mile run—Jesse Strader and Joe Farmer.

120-yard high hurdle—Curtis Benight and John Murray.

220-yard low hurdle—Paul Willson, John Murray and Lloyd Wilson.

Pole vault—Paul Willson and Eugene Yehle.

Shot put—Ed Gorman and John Murray.

Half-mile relay—Paul Willson, Lloyd Wilson, John Murray, Ed Gorman and Curtis Benight.

Running high jump—Curtis Benight and John Murray.

Running broad jump—John Murray, Lloyd Wilson and Claude Glass.

Discus throw—Ed Gorman, Lloyd Wilson and Claude Glass.

Standing broad jump — Ellison Frank, Paul Willson and Lloyd Wilson.

Hop, step and jump—Jesse Miller and Lloyd Wilson.

Miss Angie Vanhorn and Miss Nina Jackson went to St. Joseph Saturday morning for an over-Sunday visit with G. F. and W. E. Vanhorn and their families.

Miss Edith Wilson went to St. Joseph Saturday for her violin study with Prof. Wort S. Morse.

INSTALL OFFICERS

NEW CITY OFFICIALS SWORN IN LAST NIGHT.

APPOINTED COMMITTEES

Mayor U. S. Wright Names Those For Different Branches—Disposes of Business Matters.

The new city officials were installed in office Friday night in the presence of a small crowd of people. All officers were sworn in except Sam G. Selecman, the newly elected collector, as he was unable to attend the meeting on account of sickness.

Several matters of business were disposed of by Mayor Robey and the council before the new officials were sworn in. An ordinance was passed ordering sidewalks built in front of certain properties. A license was ordered issued to the Linville hotel for a pool table. A special fund of $1,000 was ordered laid aside for the purpose of paying the laborers on the new city water mains now under construction. This was done so the laborers could be paid every Saturday night.

The new officers were installed as follows: Mayor, U. S. Wright; marshal, E. C. Moberly; alderman first ward, Jesse Fisher; alderman second ward, F. L. Garrett; alderman third ward, H. L. Raines; alderman fourth ward, W. A. Tindall.

Mayor U. S. Wright appointed the following committees:

Streets, alleys and sewers—John H. Gray, J. D. Ford and H. L. Raines.

Cemetery, parks and buildings—F. L. Garrett, Louis Gram and Moses Hahn.

Finance—J. D. Ford, F. L. Garrett and Moses Hahn.

Fire, water and lights—Jesse Fisher, W. A. Tindall and John H. Gray.

Auditing—H. L. Raines, John H. Gray and W. A. Tindall.

Clyde Avitt, who is in the employ of the Heller saloon and holds a special police commission, was refused a new commission by Mayor Wright last night.

MANY AFTER APPOINTMENTS.

First Big Problem for Mayor Wright is to Fill the Appointive Offices.

Mayor Wright ordered all special police commissions turned in to him so they could be renewed. The city council adjourned until Friday, April 17, at which time further new business will be taken up and disposed of.

The first big problem that confronts the new mayor, U. S. Wright, who was sworn in Friday night, is in the selection of the appointive officers. These appointments are to be made at the first meeting night in May, and according to the dope at the present time some of the places have already been filled.

The appointments to be made are street commissioner, city attorney, physician, city clerk, fire driver, weighmaster, night policeman, street sweeper and members of the fire department.

Mayor Wright, in talking to a representative of this paper, said Saturday that his appointments would be announced in due time, but that he had nothing to give out at present.

It is predicted that Mayor Wright will offer the city attorneyship to Fred P. Robinson. For city physician, it is thought that Dr. Frank C. Wallis will be re-appointed. Several are being talked of for city clerk, and as rumor has it they are Burt M. Rowley, M. A. Peery and W. W. Glass. For fire driver it is thought that Claude Stults will be re-appointed. For night policeman, it is said that Frank Partridge or Steve Viles will be given the place. For street sweeper, the name of Shube Woodard is mentioned, and for street commissioner, the name of Ed Wright.

Much speculation is being indulged in as to whom will be named, and the names given above are those that are being prominently mentioned at present.

Home For Easter.

Superintendent Raymond Cook of the Westboro schools and Clarence Cook, a student of St. Benedict's college at Atchison, Kan., are at home to spend the Easter vacation with their parents, Mr. and Mrs. J. F. Cook.

Miss Marjorie Hine went to Savannah Friday evening for an Easter visit with her parents, Mr. and Mrs. W. G. Hine.

Miss Mildred Wamsley and Miss Corda Smith, students went to Arkoe Friday evening to spend Easter with home folks.

A SUCCESSFUL ADMINISTRATION.

During Mayor Robey's Four Years as Head of City Government Much Has Been Accomplished.

Last night brought to a close four years (two terms) of A. S. Robey as mayor of Maryville.

It must be said to the credit of Mr. Robey that his administration was one of results which have contributed very greatly to the progress of our city, he having devoted his entire time to this work.

The water question, which had become a matter of much concern to our people and the future of the city, was disposed of in a manner which, from all present indications, will for all time reflect great credit on the wisdom of Mr. Robey's position thereon and the aggressive action taken by him.

The white way was worked out, contributing greatly to the appearance of the business portion of our city.

A very considerable reduction was made in the tax levies so that, contrary to the general rule, our people are today paying less taxes than for several years past.

With all this Mr. Robey leaves the city's finances in splendid condition, notwithstanding the fact that during his administration several large items out of the ordinary had to be paid.

That the conditions have been and are such as to attract favorable consideration of our city is attested by the fact that in the past four years there has been a very decided increase in our population, and there never has been a time in recent years when there has been as few vacant homes as now. In fact, it is difficult to find homes for all those who would come among us.

That the city has prospered to the full extent of its capacity is apparent to all.

In the enforcement of the law Mr. Robey has been impartial and fair. It is impossible to entirely prevent crime and law violation, but a careful and impartial review of the past four years will force any one to the realization that we have had no serious run of law violation or commission of crime.

It has been said that his appointments are such as to reflect credit upon his administration.

Under his administration there has been over $30,000 of the bonded indebtedness of the city paid off. Work has been plenty, thereby giving the laboring man a chance to earn a good living.

Mr. Robey has made a record with which he may feel well satisfied.

HAVE DISTINGUISHED VISITOR.

Mr. Cowan, One of the Leading Shorthorn Breeders of the Country, a Guest of C. D. Bellows.

B. O. Cowan of Santa Monica, Cal., for years secretary of the American Shorthorn Breeders' association, has been spending a few days in Maryville, at the home of Mr. and Mrs. C. D. Bellows. He went to Holt county Saturday morning to visit his brother, Robert Cowan, a well known citizen of that county.

Mr. Cowan's father, J. G. Cowan, was one of the pioneers of this country in the breeding of Shorthorn cattle, and began in that business in Hughes township, near Graham. His son herded cattle all over the country between Maryville and Graham, and his stories of how that region has changed since that time are highly entertaining.

Mr. Cowan will return to Mr. Bellows' home in time for the sale Wednesday.

Mr. and Mrs. G. A. McFarland of St. Louis were Maryville visitors Saturday morning.

Mrs. Frank Harrel of St. Joseph returned home Friday evening from a visit with her sister, Mrs. Frank Craig.

HAD PROSPEROUS YEAR

Have $4,395,200 Insurance in Force—The Membership Totals 3,075.

The annual meeting of the Farmers' Mutual Insurance company of Nodaway county was held this morning at the court house. Three directors were elected for terms of three years each, and Secretary Shields' report was read. C. D. Hooker of Maryville, D. A. Northover of Hopkins and U. I. Wilson of Maryville were elected directors to succeed themselves.

The officers and directors are as follows:

James Hepburn, Hopkins, president.

C. D. Hooker, Maryville, vice president.

A. Shields, Burlington Junction, secretary.

William Woods, Burlington Junction, treasurer.

D. A. Northover, Hopkins; Robert Gex, Graham; Wm. Blackford, Clearmont; U. I. Wilson, Maryville; Dr. C. D. Bishop, Ravenwood, directors.

The secretary's report shows that there is in force $4,395,200 in insurance, a gain over last year of $347,250. The membership totals 3,075, a gain of 93 over last year. New and renewal policies issued during the year is 722, and 122 additional policies were issued. There were 69 fire losses during the year. Cash on hand is $16,064.20.

The Farmers' Mutual Insurance company has had a very successful year. The directors held a meeting this afternoon to dispose of business matters in regard to fire losses.

Sunday Services at Local Churches

First Presbyterian Church.

Easter will be celebrated at this church with the following services:

Sunrise prayer meeting at 6 a. m., under the auspices of the Young People's club. Mr. George W. Demott will be the leader.

The Sunday school will hold a special session at 9:45 a. m. in the auditorium of the church. An Easter program will be given, in which the little children as well as the older folks will participate. The slogan of the campaign for a large attendance at Sunday school tomorrow is "Every church member at Sunday school on Easter Sunday."

The morning worship at 11 o'clock. The order of service will be:

Organ prelude, Miss Smith, organist.
Chant, "The Lord is in His Holy Temple."
"Old Hundred."
Invocation.
Chant, "The Lord's Prayer."
Hymn, "The Day of Resurrection."
Responsive reading, "The Easter Psalm."
Pastoral prayer.
Reception of new members.
Hymn, "How Calm and Beautiful the Morn."
Offertory.
Anthem, "If a Man Die," Lerman.
Sermon, "Easter, a Human Experience."
Benediction.
Organ postlude.

At 8 o'clock the choir will sing Snecker's Easter cantata, "The Risen King." This is one of the most beautiful cantatas written. The choir will be assisted in its rendition by the Presbyterian orchestra. The Knights of Pythias will attend the morning service. You are invited to pay your tribute to the risen Lord by joining in the fellowship and worship of these services.

First Baptist Church.

Sunday school at 9:30 a. m. The 400-in-Sunday-school mark for this school has lacked a little of attainment so far. It is earnestly desired by all that this number be reached on Easter morning, that our stakes may be reset for still better work, for our motto is "Keep On Keeping On." Let every member of the church strive to be present.

Preaching by the pastor, Rev. Louis M. Hale, at 11 a. m. Subject, "The Fact and Fruits of the Resurrection."

The choir will sing two anthems, "Christ, the Lord, is Risen Today," by Wilson, and "They Have Taken Away My Lord," by Stainer. The quartets in the anthems will be taken by Miss Marie Jones, Mrs. L. M. Hale, Edwin Goodspeed and Orlo Quinn.

Miss Jones will sing "Allelujah," by Humphries.

The B. Y. P. U. meets at 7 p. m. Miss Hazel Everhart will lead.

Preaching at 8 o'clock by the pastor. Subject, "Pullers Down." Miss Jones will sing "Hosanna," by Granier.

First Christian Church.

The Easter Sunday services at the First Christian church will be elaborate, with appropriate music for the day, and the program for the entire day is given here:

Dr. D. J. Thomas at the organ.
Mr. H. J. Becker, director.
Mrs. F. P. Robinson, Mrs. Bishop and Mr. Becker, soloists.
Offertoire, "Serenade," Schubert—Dr. Thomas.
Anthem, "Awake, Thou That Sleepest," Maker—The choir.
Anthem, "Hallelujah, Christ is Risen," Simper, introducing the "Hallelujah chorus from Handel's "Messiah."
Organ Postlude—Dr. Thomas.

The minister, Robert L. Finch, will preach the Easter sermon.

Evening service, 8 o'clock:

Organ Prelude, "Andante," Guilmant—Dr. Thomas.
Anthem, "If a Man Die," Lerman, introducing themes from "The Messiah."
Solo, "The Resurrection," Shelley—Mrs. F. P. Robinson.
Offertoire, "Humoresque," Dvorak—Dr. Thomas.
Anthem, "Ought Not Christ?" Hayden-Morris—The choir.
Duet, "We Shall Live With Him," Porter—Mrs. Robinson and Mr. Becker.
Anthem, "Hark, Hark, My Soul," Lansing—The choir.
Organ postlude—Dr. Thomas.

In addition to this rare feast of music at the evening service, Rev. J. H. McHorter, national secretary of the Benevolent Association of the Christion church, will deliver his illustrated lecture on the work of the association, with the aid of one of the finest stereopticons now in use.

First M. E. Church.

The Sunday school of this church will observe Easter Sunday at 9:30 a. m. prompt, in the following program:

Processional, "Lift Your Glad Voices," by primary, junior and intermediate departments.
Duet, "Lee and Leonard Maier.
Resurrection Story, Gladys Sewell.
Prayer, pastor.
Antiphonal, "The Lord is Risen," sung by eight classes.
Song, "I Washed My Hands This Morning," primary department.
Male quartet from Mr. Lesh's class.
Solo, Virginia Curnutt.
Hymn, "All Hail the Power of Jesus' Name," congregation.
Benediction, Rev. John.

Preaching at 10.45 by the pastor, Rev. Gilbert S. Cox. Subject, "The Resurrection and Christianity."

The choir will sing "Hail, Prince of Light," by Adams.

Solo, "Come See the Place Where Jesus Lay," by Bartlett.

Epworth League at 7 p. m. Subject, "The Joy of Easter in the Soul." Leader, Mrs. J. A. Lesh.

Evening service at 8 o'clock. Subject of sermon, "The Confidence of the Cross."

At the close of the sermon the choir will give a forty-five minutes program from Gaul's "Holy City."

We trust that these services will minister to real spiritual appreciation of the Easter joy, and a hearty invitation is extended to all to be present.

Buchanan Street Methodist Church.

Regular services at this church Easter Sunday. The pastor, Rev. J. D. Randolph, will return Saturday evening from Louisville, Ky., where he has been assisting in a revival for two weeks, and will occupy his pulpit morning and evening.

Sunday school at 9:30 a. m.

Preaching at 11 a. m. and 8 p. m. At the morning service the choir will sing the Easter anthem, "O Wake Thou That Sleepest."

Epworth League at 7 p. m.

First Church of Christ, Scientist.

Sunday school at 9:45 a. m.

Subject of lesson-sermon at 11 o'clock, "Are Sin, Disease and Death Real?"

Wednesday evening prayer meeting at 8 o'clock.

All who come are made welcome at this church. Located at 206 South Main street. Readings rooms are open each afternoon from 2 to 5.

MRS. CLAYCOMB'S MOTHER DEAD.

Body of Mrs. Carder Will Be Brought Here Saturday Evening—Funeral Sunday Afternoon.

Fred Claycomb received a message Saturday from Mrs. Claycomb, telling of the death of her mother, Mrs. Caroline Carder, formerly of this city, at the home of a daughter in Burlingame, Kan.

The body will be brought to Maryville Saturday night. The funeral services will be held Sunday afternoon at 2 o'clock at the First Presbyterian church.

Parent-Teachers' Meeting.

An enthusiastic meeting of the Parent-Teachers' association was held Friday afternoon at the high school. "Contagious Diseases and How to Prevent Them" was the subject, Miss Ada Albert speaking on "What the Teacher Can Do,' 'and Mrs. C. E. White on "What the Parents Can Do." An interesting discussion followed.

Dr. F. R. Anthony, who was to have addressed the association, was unable to come.

Owing to much sickness at present from whooping cough and mumps many parents were unable to attend. It is hoped that a much large attendance may be possible in two weeks. The schools of the city were dismissed in time for the meeting, and this will be the rule hereafter.

A. D. Arnett for house painting of all kinds.

Judge D. C. McKee and Wm. Beggs of Guilford were city visitors Saturday.

Mrs. N. Sturm and daughters and the Misses Grems issued 200 invitations Saturday for a party at the Elks club Friday afternoon, April 17.

Her Husband's Birthday.

Mrs. L. R. Holt entertained informally Friday evening at dominoes and a luncheon, complimentary to Mr. Holt's birthday anniversary. The guests were old friends of Mr. Holt, and their arrival for a social evening with him was a complete surprise. Mr. Holt was presented a silk umbrella by the company. The hostess was assisted in entertaining and serving by Miss Edith Holt. The guests were Mr. Holt, Dr. and Mrs. J. H. Todd, Mr. and Mrs. W. O. Garrett, Mr. and Mrs. Omar Catterson, Mr. and Mrs. R. F. Hamblen, Mr. and Mrs. Fred Jamison, Mr. and Mrs. C. J. Eckert, Mr. and Mrs. Walter Mutz and R. H. Duncan.

Met With Mrs. Harkness.

The Woman's Missionary society of the First Presbyterian church met with Mrs. S. D. Harkness at the manse Thursday afternoon. The devotional service was led by Mrs. C. D. Leffler. Subject, "Thoughts." Roll call was responded to with names of missionaries to India. A talk on "Freedmen" was given by Mrs. Gallatin Craig, and Mrs. Harkness told of "Penances and Punishments of Holy Men of India." The social committee, Mrs. Leffler, Mrs. L. E. Gault and Mrs. S. O. Hutchison, served a nice luncheon during the social hour. There were four visitors, Mrs. Fred Fehr, Mrs. Fred J. Yeomans, Mrs. Fred Jamison and Mrs. Roy Lippman.

Instituted Chapter at Maitland.

Quite a number of the members of Rosanna chapter, No. 262, Order of the Eastern Star, of Maryville, went to Maitland Thursday morning and devoted the entire day to the institution of an Eastern star chapter, U. D., at that place. The Maryville people were entertained in the homes of the new Eastern Star members and were treated so hospitably that they are hoping for occasion to visit them again. The day's work was in charge of Sister Nora Jones, D. D. G. M., of Maryville, and the following members of the local Eastern Star, Linnie Braniger, Nannie Cook, Vida May Hamlin, Belle Demott, Nellie Belle Frost, Flora Hartley, Rosanna Stauble, Laura Gilbert, Nannie Craven, Ella Swinford, Katherine Kuchs, Margaret Stiwalt, Anna Day and Mae Harvey, and Charles McNeal.

Thought of Her Wedding Day.

The children of the Elm Grove school, just north of Maryville, presented their teacher, Miss Golda Roach, a gold cross pendant as their wedding gift to her, last Thursday afternoon, after the patrons of the school had gathered and spread a fine feast at noon in her honor. It was the closing day of the school term and a nice program was given by the children, who were in more than a usual state of excitement, for isn't their teacher to be married next Tuesday evening in the Methodist church at Pickering, and hasn't she invited every one of them to come? Sure! Among the guests was the Elm Grove teacher of two years ago, Mrs. James Stephenson, formerly Miss Stella Payne, and her baby boy, who live southwest of Maryville. The patrons of the Elm Grove school are Mr. and Mrs. George Aley, Mr. and Mrs. George Baker, Mr. and Mrs. John Coburn, Mr. and Mrs. Halbert Catterson, Peter Behm, Mr. and Mrs. M. C. Thompson, Mr. and Mrs. John Mann, Mr. and Mrs. M. D. Kemp.

For Miss Baker.

The girls of the Hum Drum club were informally entertained Friday afternoon by Miss Hildred Hanna, complimentary to Miss Carrie Margaret Baker, who is at home for the Easter vacation from Northwestern university. The afternoon was passed in talk of school days. The Hum Drum girls now here are Miss Baker, Misses Geneva and Marjorie Wilfley, Glen Hotchkiss, Mildred Robinson, Vera Tilson, Ruth Reuillard, Blanche Shipps, Dale Hoffman, Ruby Curnutt, Martha Koch, Eleanor Smith and the hostess. Other guests were Misses Babe Holt, Kathleen Chittenden and Verlinda Eichmiller.

Senior Class Party.

Miss Ora Quinn, Miss Nina Evans, Mr. John Murray and Mr. Abner Johnson entertained their class, the advanced seniors of the high school, at the home of Miss Evans on Friday evening.

Games were played and all present had a most enjoyable time. After the games refreshments were served in three courses. The guests were then invited to show their literary ability by writing a paragraph having each word to begin with the same letter. A number of very comical paragraphs were written, and hearty laughter ensued when they were read. Easter souvenirs were then given to the guests, after which they departed, declaring that they had been most enjoyably entertained. Those present beside the hosts and hostesses were Misses Annetta Lorance, Edna Dietz, Ruth Moore, Juno Jones, Ora LeGrand, Anna Bartram, Meriem Holt, Anna Halasey, Janette Mutz, Esther Roberts, Lola Wright, Edith Anderson, Marie Grundy, Frances Hahn, Messrs. Paul Willson, Clement Hahn, George Crowson, Harold Ramsey, Roy David, Jack Holt and Lee Strickler.

Obituary.

Woodroe Kenneth McCord, the little son of Mr. and Mrs. D. A. McCord, living two miles north of Wilcox, died April 6th, 1914. Little Kenneth had always been an unusually bright and healthy babe, and never knew a day's sickness in his life until the dreaded disease of whooping cough entered the home, and the little one at so tender an age could not withstand its ravages. All that loving parents and kind neighbors could do was done to relieve the little sufferer but to no avail, and he passed away at 6 o'clock Monday evening, April 6th, being 6 months and 20 days old. His mission on earth was ended and the Savior called him home to await the coming of father, mother, brother and sister. To the grief stricken parents we would say, weep not for of such is the kingdom of heaven. What a comfort to think when the pearly gates unfold there will be one little angel waiting and watching for you.

The gate of heaven was opened,
A little angel entered in
To live a life with Jesus,
So pure and free from sin.

A FRIEND.

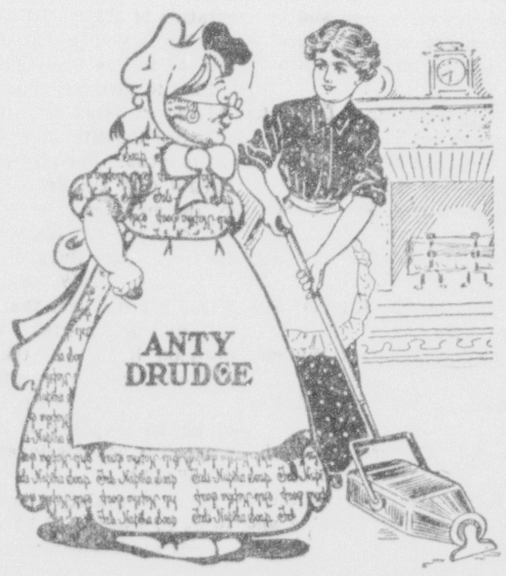
New labor-saving uses for Fels-Naptha Soap are being discovered every day.



Mrs. Happywife Learns the "New Way"

Mrs. Happywife—"Oh, Anty Drudge, do come in and see the new vacuum cleaner that Harry gave me for my tenth anniversary present! I declare, if it wasn't for the washing I would just love my housework nowadays!"

Anty Drudge—"That's a fine present, my dear. But I am surprised to hear what you say about the washing. Certainly any woman who uses a vacuum cleaner knows the easy way to wash! I couldn't get along if I washed the old-fashioned way. I use Fels-Naptha Soap, in the Fels-Naptha way, make my work easy, and get through in time to have a little pleasure."

The right way to use Fels-Naptha Soap is the easy way. There are a great many new ways to help women in their work nowadays. Lots of them are very good. One is the Fels-Naptha way. It helps in the weekly washing, in dish-washing, in housecleaning. Fels-Naptha Soap works for you and with you. It saves your time by working without you; if you put your clothes to soak in cool or lukewarm water with Fels-Naptha Soap, the dirt is loosened and ready to come right out without any hard rubbing, and your clothes do not need any boiling.

Follow the directions on the Red and Green Wrapper.

Better buy Fels-Naptha by the carton or box.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

YOUR CHILD'S SIGHT

Should be a most important consideration. Many children are handicapped in school or subjected to petty nervous or physical ills by the effects of imperfect vision.

An examination of the eyes of 100,000 school children in New York City showed that nearly 30 per cent needed glasses. In Boston it was more than 20 per cent, and most of them were down on the books as "stupid," "stubborn" or "unruly."

Wearing glasses in childhood often averts serious trouble later on. Have our optician examine your child's eyes. If glasses are not needed you may be sure we will tell you so frankly.

THIRD ANNUAL CONVENTION.

National Old Trails Association Will Meet in Indianapolis, Ind., May 7, 8, and 9.

The third annual convention of the National Old Trails Road association, to be held in Indianapolis, Ind., May 7, 8 and 9, promises to be the most important event in the history of the good roads movement, and according to the most conservative estimate five thousand delegates will attend.

The meetings will be presided over by Judge J. M. Love of Kansas City, president of the association and a veteran better roads booster of national reputation. The governor of Indiana is to make the address of welcome.

Among the more prominent speakers will be several United States senators and congressmen who are friends and ardent supporters of the association and who will tell of their efforts to procure legislation looking toward a national system of efficient highways.

President Lowe is inviting the entire membership to attend and urging local associations, affiliated with the old trails, to send as many delegates as possible. Some of the more remote organizations, no doubt, will be unable to attend in a body, so President Lowe is suggesting to them that one or more of the leading boosters be sent at the expense of the rest.

The meetings will be held in the auditorium of the Claypool hotel. Every day of the convention will be spent in putting the organization on a better footing to fight for the larger system which means 50,000 miles of macadam or rock highways serving 65 per cent of the population of the United States.

The subjects to be discussed not only will include matters pertaining to the old pike, but also to general road questions and competent legislation.

Card of Thanks.

We wish to thank our friends and neighbors for their help during the sickness and death of our baby, and also for the beautiful floral offerings.

Spraying Cherry Trees

First Spraying. After the leaves have begun to come out but before the blossoms open, using Bordeaux mixture (2 pounds copper sulphate, 3 lbs., lime and 50 gallons of water) or some form of lime sulphur, either the commercial or self-boiled.

Second Spraying. As soon as the calyx tube is off the young fruit, use arsenate of lead paste 2 pounds, Bordeaux mixture 2-3-50, self-boiled lime sulphur 7-7-50, or commercial lime sulphur 1¼ gallons with water enough to make up 50 gallons of the solution.

These two sprayings are to control the leaf spot and powdery mildew, and to poison the curculio insect which punctures the fruit.

Self-boiled lime sulphur must be prepared at home, as it does not keep well and hence is not kept for sale. To prepare, slake 8 pounds of lime in a large tub or vat, and while simmering from its own heat, stir in 8 pounds of fine sulphur. Stop the simmering or boiling at the end of eight or ten minutes by adding cold water. Strain into a barrel and add water to make 50 gallons.

Third Spraying. Just after the fruit is off, using Bordeaux mixture 2-3-50, self-boiled lime sulphur 7-7-50 or commercial lime sulphur 1½ gallons to 48½ gallons of water. This is to keep the leaves healthy in order that good strong fruit buds may be formed for the next year's crop.

Powdery mildew is likely to be very bad on young cherry trees, particularly those growing in the nursery row. Such trees should be sprayed three or four times with Bordeaux mixture 2-3-50 or either of the lime sulphurs as mentioned above.

Spraying Outfits. A barrel sprayer will spray from five to ten acres of orchard and costs, complete, from $12 to $30. A bucket sprayer is useful for whitewashing or spraying a dozen trees or less; costs $3.50 to $8.00. The small hand compressed air and knapsack outfits are used for spraying potatoes, nursery trees, berries and vineyards. They cost from $5 to $15. All sprayers should have brass working parts which are not injured by acids.

U. S. SOLDIERS ARE ARRESTED

Are Marched Through Streets of Tampico, Mex.

RELEASED ON MAYO'S DEMAND

Paymaster and Detachment of Marines Putting in at Iturbide Bridge for Gasoline Made Prisoners—Huerta Apologizes.

Mexico City, April 11.—A launch from the United States gunboat Dolphin, carrying the paymaster and a small detachment of marines, put in at Iturbide bridge at Tampico. The Americans were after a supply of gasoline. They were in uniform, but unarmed. The launch flew the American flag.

Colonel Hinoposa, commanding a detachment of Mexican federals, placed the paymaster and his men under arrest. They were paraded through the streets and held for a time under detention.

Admiral Mayo made vigorous representations to the authorities and the men were released. General Zaragoza expressed to Admiral Mayo his regret.

Although President Huerta, in an official statement to Nelson O'Shaughnessy, the American charge d'affaires, has apologized for the unusual zeal of the Mexican commander at Tampico, there exists here great uneasieness because Admiral Mayo is reported to have given the government authorities at Tampico twenty-four hours to salute the American colors.

San Pedro Evacuated.

Juarez, Mex., April 11.—San Pedro, forty miles northeast of Torreon, was evacuated by the federals in the face of superior numbers.

TWO BOYS FATALLY INJURED

Forty-Six-Mile Gale Drives Auto Truck Down Chicago Street.

Chicago, April 11.—Two children probably were fatally injured when they were struck by an automobile truck which was driven down a street by the wind. The machine had been left standing unattended. A forty-six-mile gale, which had been blowing off the lake, started the truck in motion. It gathered speed, struck and snapped off a mail box pillar and then knocked down the two children, Joseph and Michael Kotner, three and five years old. Joseph's skull was fractured and Michael suffered internal injuries. The motor truck then smashed into a brick wall.

SAINTS DEPEND UPON TITHES

Graceland College Will Be Supported by General Fund.

Independence, Mo., April 11.—General funds of the Latter Day Saints' church will be used to maintain Graceland college, according to the decision reached at the conference here.

President Joseph Smith made a speech in favor of the proposition. He says the church has always been dependent from time to time upon the tithes and offerings of the members and that it has to exist upon faith and declares that means will be forthcoming to meet the demands.

He asked, "How did the church know last spring that during the year $560,000 would be paid into the treasury by a membership of 68,000?"

MEASLES SPREAD IN MOVIES

St. Louis Health Commissioner Accounts for Epidemic.

St. Louis, April 11.—The "movies" and measles go hand in hand, in the opinion of Assistant Health Commissioner Jordan. He accounts for an epidemic of the disease by the theory that children recovering from it go too soon to the moving picture shows and infect other children. There were 622 cases of the disease reported in March. Diphtheria caused twenty-four deaths in March. The same cause may be responsible, Dr. Jordan thinks.

Miners Clash; Five Arrested.

Pittsburgh, April 11.—Two rump conventions, both powerless to do more than recommend, were held by "insurgents" and "administration" factions of district No. 5, United Mine Workers of America, and led to a clash between the two parties, which resulted in the arrest of five men.

Bare Heads as Dowager's Body Passes

Tokyo, April 11.—The body of the dowager empress, who died at Namazu, arrived here about midnight. It was transported in a coach to the palace through streets lined with troops. Five hundred thousand persons stood with heads bared while the body passed.

Town "Dry," No Money.

Lockport, Ill., April 11.—The police force was discharged as a result of the curtailment of the city's revenue through the vote Tuesday, which barred the saloons. A contest of the election was discussed by liquor dealers.

RETRIAL MAY BE GRANTED GUNMEN

Whitman Must Show Why New Hearing Be Not Given.

New York, April 11.—Upon the ground that new evidence has been discovered, Supreme Court Justice Goff signed an order making it mandatory for District Attorney Whitman to show cause why the four gunmen now in Sing Sing, awaiting death in the electric chair for the part they played in the murder of Herman Rosenthal, the gambler, should not be granted a new trial.

The new evidence, in the form of affidavits, was presented to Justice Goff by Charles G. F. Wahle of counsel for the condemned men. The signer of one affidavit swore that a man he could identify and who was not one of the gunmen was in the firing party whose shots killed Rosenthal. He declared that he saw Sam Schepps, Bridgie Webber and Harry Vallon, the informers, and not the men convicted, in the car that raced away from the scene of the crime after the tenderloin gambler had been shot to death in front of the Metropole hotel.

The order was served upon District Attorney Whitman and preparation of arguments to show why the gunmen should not be granted a new trial was immediately begun. A sharp legal battle is expected before Justice Goff when the order is returned.

DUN'S REVIEW OF TRADE

Sentiment Strengthened by Government Wheat Report.

New York, April 11.—Dun's Review of Trade says:

Sentiment especially in the agricultural regions, is strengthened by the splendid government report on winter wheat and the outlook for an almost phenomenal crop is calculated to inspire greater confidence in the future. Reflecting the brilliant prospects, the leading cereal is receding in values; yet the purchasing power of the farming community should be enhanced if the present promise of a banner yield is fulfilled.

The volume of railroad traffic will obviously expand with an increased production of grain and monetary conditions are such that no difficulty is likely to be experienced in harvesting and marketing the crops.

Advices from leading centers are still somewhat irregular, with improvement in certain directions offset by a reactionary tendency in others.

Growing Perfect Grapes

The worst enemy of the grape in Missouri is the black rot. If the soil is fertile and the vines healthy, it is easy to grow perfect grapes (that is, grapes free from rot and worms) by covering the clusters with one or two-pound paper sacks. The sacks may be bought at the grocery store for about $1.00 per thousand. The sacks must be put on as soon as the fruit is formed. If rot gets started, the sacks are no protection. The sacks are pinned on or fastened by wrapping around the mouth with short pieces of wire. Half-acre vineyards or larger should be protected by spraying. The Missouri College of Agriculture recommends the following system:

When the third leaf has appeared on the young shoots, spray with Bordeaux mixture made by using 5 pounds of copper sulphate, 5 pounds lime and 50 gallons of water. Spraying is most effective when done just before a rain. If the season is wet and warm, the black rot will be hard to control. In the grape districts of the North the growers expect to spray four times at intervals of two weeks. Possibly two or three applications will be sufficient in Missouri, but much depends upon whether the disease has been bad in former years, and whether the dried bunches which died from the rot have been removed from the vineyard. Careful annual pruning is a great help in controlling the rot and also two other diseases which attack the fruit and leaves.

A barrel spraying outfit, fitted with hose, nozzle, etc., and even mounted wheels in the form of a push cart, may be had, complete, for $25 or $30. A pump alone, mounted on a barrel at home and hauled in a wagon when spraying, will cost from $12 to $20. The working parts of any pump should be made of brass which is not corroded by the spraying salts. A barrel sprayer will handle probably ten acres of fruit trees or vineyard. A bucket sprayer costing from $3.50 to $8 may be used for spraying less than a dozen trees. The small hand compressed air and knapsack outfits costing from $5 to $15 are very good for handling berry patches, nursery stock, potatoes and small vineyards.

FUNCTION OF A RESERVE BANK.

Such a Bank is Solely a Banker's Bank —No Dealings Whatever With the Public.

"Now that Kansas City has been selected as the location of one of the great federal reserve banks, what does it really mean? What are the real functions of such an institution?"

These questions and others are being asked now every day on the streets by persons who are not quite clear regarding what is to be here, says the Kansas City Journal.

A federal reserve bank is solely a banker's bank. It will have no dealings whatever with the public direct. It will be the reservoir for a portion of the reserve money of its member banks, those holding stock in the institution. This money formerly was held in the vaults of the banks or carried with other banks located in reserve cities, there having been forty-seven under the old law.

The operation of a federal reserve bank will not in any way change the relations of the farmer, the merchant, business man or individual depositor with his present bank. It simply will enable the bank to handle their business more economically, more safely and with greater promptness.

A federal reserve bank will loan money to its members, or stockholders, all of which will be banks in its district, taking as collateral for such loans the obligations of the customers of it member banks. This security for loans to member banks may consist of sixty-day notes secured by cattle being fattened for market; grain in elevators or notes of solvent merchants based on first class bills receivable or on foodstuffs or other necessaries of life in course of transportation to market.

The federal reserve bank will be under the supervision of a board of directors and operated much as ordinary banks are conducted except that instead of having individual depositors or borrowers, its customers will be restricted entirely to banks that own stock in the federal reserve bank, or, in other words, who are members of the federal reserve bank.

The bank will accumulate large sums of money, it, of course, being necessary for it to have large, secure vaults, and, for that reason, the bank no doubt will be placed on the ground floor of some building or near the city's financial district. The provisions of the currency law are such that the functions to be performed by the reserve bank are largely subject to the rulings of the federal reserve board, which has not yet been appointed. Until the board has been organized and issues its instructions it will be difficult for anyone to determine the number of officers or clerks which will be required to handle the business.

If You Stutter, Change Hands.

Dr. Huddson Makuen, specialist at the Polyclinic hospital, asserts that persons afflicted with stammering may be cured if they will reverse the use of their hands. His theory is that if a stammerer is left-handed he should cultivate the use of the right hand and the stammering will probably disappear. The same applies to the right-handed person.

Dr. Makuen has treated two thousand persons afflicted with stammering. In many cases permanent cures resulted. Of the number 77 per cent were males, 85 per cent of average mentality, 14 per cent below the normal and 16 per cent feeble minded.

RESERVE BOARD GIVES REASONS

Committee Defends Its Action in Locating Banks.

BUSINESS IN SAME CHANNELS

Asserts New Centers and Districts Will Not Make Much Difference, Anyway. Complain That Critics Reveal Misunderstanding of Situation.

Washington, April 11.—The federal reserve bank organization committee issued a statement defending its choice of reserve bank cities and definition of reserve districts. It was the first official answer made to criticisms voiced in congress and heard from cities which sought reserve banks, but failed to get them.

Particular attention was given to the committee's reasons for choosing Atlanta, Ga., and Dallas, Tex., in preference to New Orleans; for selecting Richmond, Va., instead of Baltimore, and for naming Kansas City instead of Denver, Omaha or Lincoln. The committee called attention to the fact that since thirty-seven cities were applicants and only twelve named, twenty-five had to be disappointed.

"With so many conflicting claims," said the statement, "somebody had to judge. Congress constituted the committee a court and gave the federal reserve board the power of review. Disappointed competitors should seek a remedy through the orderly process that the law prescribes.

"Critics of the decision of the committee reveal misunderstanding and either do not know or appear not to know that the federal reserve banks are bankers' banks and not ordinary commercial banks; that they are to hold the reserves and to clear the checks of member banks, make rediscounts for them and engage in certain open market operations. As a matter of fact, the ordinary every day banking relations of the community, of business men and of banks will not be greatly modified or altered."

Why Kansas City Was Chosen.

In support of its choice of Kansas City, the committee said that Montana, Idaho, Arizona, Texas and Nebraska opposed Denver, and that the majority of the banks in a tentative district suggested by Omaha were opposed to its selection and preferred other cities.

"It seemed impossible," the statement said, "to serve the great section from Kansas City to the mountains in any other way than by creating a bank with Kansas City as headquarters or to provide for the northwestern section except by creating a district with Minneapolis as headquarters.

"The only other thing that could have been done with Nebraska, under the conditions which presented themselves, was to relate it to Chicago, and this seemed to be inadvisable in the circumstances. The Kansas City banks serve a very distinctive territory and will serve it more satisfactorily than St. Louis could have done. The relations of that territory on the whole are much more largely with Kansas City than with any other city in the middle west with which it could have been connected.

"It will, of course, be recognized by those who are informed that of the four cities, Kansas City is the most dominant banking and business center."

BRYAN ANNOUNCES TERMS

New Treaty Lets Colombia Use Canal for War Craft Free.

Washington, April 11.—Free use of the Panama canal by Colombian men-of-war, troop ships and army and navy supply vessels is proposed in the new treaty between the United States and Colombia, signed at Bogota, to heal the breach between the two countries over the separation of Panama.

This was announced by Secretary Bryan, with the explanation that the clause in the convention was identical with the one in the Colombia treaty negotiated and ratified by the United States senate, though never accepted by Colombia.

Mr. Bryan's statement followed a long conference at the state department with Senator O'Gorman, chairman of the senate canals committee, which has under consideration the administration bill repealing the clause of the Panama canal act exempting American coastwise shipping from canal tolls.

Senator O'Gorman, who is leading the Democratic opposition to President Wilson's repeal policy, went back to the capitol with new ammunition for his fight.

Postmaster Takes Poison.

Deadwood, S. D., April 11.—While a postoffice inspector was examining his accounts to learn the amount of his shortage James Carter, postmaster at Argentine, excused himself and drained a phial of cyanide of potassium. He was dead in a few minutes. Beside the body the inspector found a letter, in which Carter said everyone owed him money. His shortage was not heavy.

ELEVEN ST. LOUIS JOBBERS INDICTED

Are Charged With Plotting to Swindle Wholesalers.

St. Louis, April 11.—Indictments were returned by the federal grand jury against the eleven men who formed the Great Western Jobbing company of this city, charging them with forming a conspiracy to defraud wholesale merchants throughout the country.

The men indicted are: Samuel Brown, Julius Steinhardt, Meyer Rotman, Harry A. Cohan, Alfred Goldberg, Samuel Bernstein, Jacob Litman, Henry Greenfield, Jacob and Morris Liebowitz and Morris Garfinkle.

The same jury returned indictments against eleven advertising "doctors" of this city, charging them with using the mails in schemes to defraud. Two women were indicted for misusing the mails and another for renting her house for the manufacture of oleomargarine without the payment of a government license.

Four men were indicted for the illegal manufacture and sale of oleomargarine. They are: Joseph B. Musick, Walter R. Morris, Raymond A. Martens and G. H. Martens.

Two other indictments were returned, charging a practice which, agents of the interstate commerce commission say, has cost the railroads of the United States millions of dollars. The indictments were directed against Morris H. Biederman of St. Louis and the Davidson Bros. company of Des Moines, both engaged in the produce business.

The indictments charge an attempt to collect fraudulent claims against railroads on allegations that the produce merchants' goods were damaged in transit.

HIGGINS PLEADS GUILTY

Wife Slayer Will Be Sentenced Tuesday—Julia Flake Not Arraigned.

Galesburg, Ill., April 11.—Robert Higgins pleaded guilty in the Mercer county circuit court to the indictment charging that he murdered his wife. Higgins asked for the mercy of the court.

Julia Flake, Higgins' stepdaughter, for love of whom he was said to have killed his wife, was not arraigned. Her attorney, D. A. Hebel, certified to the authenticity of a confession by the girl, in which she accused Higgins of killing her mother.

The second count in the indictment of Higgins, concerning his relations with Julia Flake, was dismissed. The state began offering evidence in confirmation of Higgins' plea. S. R. Gates, deputy sheriff, testified that Higgins signed in his presence a confession of guilt.

Judge Olmstead said he would pronounce sentence Tuesday, but gave no hint as to the punishment he will impose on Higgins. The state's attorney asked the court not to inflict the death penalty.

Robbers Miss Thousands.

Little Rock, Ark., April 11.—William Ahring, United States Express company messenger, reiterated to officials the story he told of the alleged robbery of a Rock Island baggage car. The robbery is said to have occurred between Hot Springs and Little Rock. Ahring was rescued from a trunk here, in which, he said, the robbers had locked him According to express company officials at Hot Springs, the car carried valuables estimated at about $3,000. Railroad officials say the sum taken by the robbers amounted to only $100.

Tries to Save Her Mother; Both Dead.

San Antonio, Tex., April 11.—Two women were burned to death and a man was probably fatally injued in two fires here. Sparks from a stove in her home ignited the clothing of Mrs. Tennessee Hill. Mary Hill, her daughter, attempted to save her and both became enveloped in flames. E. C. Jackson, a chauffeur, asleep in a garage, was probably fatally burned in a fire due to the ignition of escaping gasoline.
